

Sully Sailing Club Event Programme 2017

Club Officers

Members are reminded that it is the responsibility of the Race Duty crew to prepare the Patrol Boat and that they should arrive no later than 45 minutes before the scheduled start time.

Members intending to race should launch as soon as the Patrol Boat is in the water.

Races will start as soon as possible after the scheduled start time. If you are not ready to launch and on the slipway / in the queue 10 minutes before the start, the race will start without you.

Members unable to attend on the date advertised have the responsibility of swapping with another club member via DutyMan.

Remember the success of your club depends on you completing your duties.
